

CP-20452-J

Coalescer for US Department of Defense
MIL-PRF-52308J Applications

Racor is a qualified supplier of military standard aviation fuel coalescers and separators API/EI (IP) 1581 (American Petroleum Institute/Energy Institute), EI 1583 monitors and API/EI (IP) 1590 microfilter cartridges. Racor aviation fuel filtration systems are used by customers worldwide to assure the delivery of clean, dry fuel.

This cartridge has been tested to MIL-PRF-52308J requirements, qualified, and approved by the US Government. Racor's CP-20452-J (NSN 4330-01-477-7985), 20-inch coalescer, has two o-rings (one on each end), and is a direct replacement for US Department of Defense coalescer cartridge MIL-F-52308F (NSN 4330-00-983-0998).

For additional information on Racor Hydrocarbon products, see brochure #7537.
